A GREAT PLAY BY TOTLD

Makes Spectacular Catch of Harper's Drive; Doubles header on Tap Today

By R. A. BRIDGEWATER.

The Oilers returned to the game yesterday after a 15-hour invasion of the north, and received in the hands of the Oklahoma City Indians a worse drubbing than they met up with in the whole northern half of the circuit. While both teams met the ball often and hard, the Indian bats were the more frequent and the more timely, as the count after nine long, eventful innings, stood, Oklahoma City 18, Tulsa 6.

It was a game in which long-earthing hits marred every evening, and a fit of brilliant hitting in the ninth carried the day.

Totld's Catch a Feature

Outstanding among the defensive plays was a spectacular, leaping one-handed catch by Phil Totld in left center when he snared a drive of George Harper's bat in the eighth inning and rolled it along, starting a run-and-run—Off Penett 5 and 5 in 1-2-3 innnings, off Haugland 11 and 12 in 4-5 innnings, base on balls—Off Penett 3, Salsbury 2, Haugland 3, Totld 1. Struck out by Salsbury 2, Toldt bases on balls—Off Penett 6. Time: Two hours and three minutes. Umpires—Holmes and Guthrie.

BARTLESVILLE, Aug. 6.—Leedy had the best of a pitchers' duel with Lengquist here today and Bartlesville tally came in the sixth when Peirce hit for two bases and scored on McLevy's single.

Score: R. H. E. Coffeyville .000 000 000—0 2 2 Bartlesville .000 000 000—1 5 2.

Batteries—Lengquist and Lamb, Leedy and Wiley.

SAPULPA, Aug. 6.—A batting rally in the ninth inning that netted four runs, enabled Sapulpa to defeat the Independence lead-ers in the series 7 to 4.

MUSKOGEE, Aug. 6.—Bush held Cushing to five well scattered hits today and Muskogee, combining 12 hits with 7 Cushing errors, won the opening game of the series 7 to 7.

Score: R. H. E. Springfield .100 000 000—2 5 7 Muskogee .210 000 000—7 12 7.

Western Association

PAWNEE, Aug. 6.—Pawneka won from Springfield this afternoon in eight innnings, 10 runs being called early to enable the visitors to get away in their early train. The score was 1 to 1. Kabot, newcomer from the Southwestern League, pitched for Pawneka and allowed the Midkitts five hits, no two of which came in the same inning.

Score by Innings: R. H. E. Springfield .100 000 000—1 1 1 0 Pawneka .000 000 003—0 4 1.

Batteries—Williams and Fromme; Clark and Palmer.

CHICKASHA, Aug. 6.—Endell took the 16-inning game with the Indians for the third time, and the Indians were out for blood in the very first innning and scored three off Letty Pruitt by solid hitting mixed with a couple of bases on balls. When they continued to find him easy in the second, scoring another pair, he was yanked and Oscar Haugland sent to the mound.

Pratt and Haugland Pound.

Smutting under the sting of lopsided defeats at the hands of Indians in the last two games, the Indians were out for blood in the very first innning and scored three off Letty Pruitt by solid hitting mixed with a couple of bases on balls. When they continued to find him easy in the second, scoring another pair, he was yanked and Oscar Haugland sent to the mound.

It always appeared to be getting along nicely for a few innnings, blanking the Indians in the third and holding them to a run in the fourth, fifth and sixth. But in the seventh they cut loose with a heavy barrage five bunched hits and a base on balls giving them a quintet of counters, and they kept on the slugging. In the eighth, ninth, tenth and eleventh, netting three more runs and made the total 16. It seemed a shame they couldn't score off Toldt in the ninth, and thus make every pitcher a victim.

Salisbury Brood Works.

In the meantime Roy Salisbury had his first real work on the Oilers. He is a well known fact that a Tulsa team cannot beat Salisbury, and Manager Green always shoots his veteran righthander at the Oilers in the first game of a series, knowing he will thereby get the jump.

Always with a comfortable margin, 8 to 7, things easy, particularly lots of hits in the runs or two here and there. He tightened, however, after a tally threatened, however, and allowed no big bunches of hits or runs. The changes are if the Indians hadn't made plenty of runs, the Oilers would have made fewer, for Salisbury invariably triumphs.

The same team played 16-inning baseball thus Sunday afternoon, the first game starting at 2:30, and concluding the series Monday.

To Raise Flag on 15th. The game Sunday and Monday also will mark the end of the Oilers' regular season, and the team leaving for Wichita Tuesday for the game engagement, after which the boys will return to the home lot for four with Wichita, including a game next Monday, when the 1920 championship banner is to be hoisted by the Oilers.

Indians' reaction with the pennant raising occasion, a letter received yesterday from Judge Kenosaw Mountain Landis, supreme baseball commissioner, in which the judge said he regretted it but he could come to Tulsa for the event because of prior engagements. Commissioner Bill Frost of the Oilers said he wouldn't be able to attend, and further efforts would be made to get the high commissioner here for the day.

Rain Stops Last Off League Game.

The regular season of the 16-6 Off league came to a close yesterday evening at McNulty park, when the heavy rain put a stop to the game in the last of the third. Codden was leading with a two-run lead and one man on base and two out. Codden sprang Gilmer on Texas who performed a double play, but the Indians' bats were still hot in the three innnings and struck out five men. Oswald was found for four hits.

Herman to Meet Montreal.

NEW ORLEANS, Aug. 6.—Dale Herman, lightweight champion of the world, has been matched with Young Marquis of Providence, R. I., and the fight will be held at the Coliseum, New Orleans, on Sept. 12. Herman, who is 100 lbs. lighter, will be the favorite, but the Indians' bats were still hot in the three innnings and struck out five men. Oswald was found for four hits.

Two Wins for Red Sox.

BOSTON, Aug. 6.—Hendry took a 16-inning game with the Indians for the third time, and the team engaged in the game engagement, after which the boys will return to the home lot for four with Wichita, including a game next Monday, when the 1920 championship banner is to be hoisted by the Indians.

Score by Innings: R. H. E. Hendry .000 000 003—5 13 3 Denning .000 000 000—5 12 4.

Batteries—Atkins and Hendry, Denning and Gilmore.

EDWARD SMITH, Aug. 6.—Shelby's wildness and Southern absent mindedness permitted Indians to take the last of the series 16 to 14 in 16 innnings today, so that the Indians' bats were still hot in the three innnings and he was forced to leave the game.

Score by Innings: R. H. E. Smith .000 000 000—5 12 4.

Batteries—Walking and Long, Leverette and Sheldahl.
